DEDICATION

The year 1945-1946 saw C. C. return to peacetime. Many of her former students, veterans of World War II, have returned to complete their college work. Many of her professors have returned from the service. Fraternities were reactivated, social life picked up, the Navy V-12 Unit left in June after three years on the campus. C. C. will never be the same again - as it was before or during the war. To those veterans who have returned to Colorado College to complete their education, we, the staff of the 1946 Nugget, dedicate this volume.

The Colorado College football team had a fairly successful season, finishing the 1945 schedule with a record of four wins, three losses, and one tie . . .

This aggregation of sailors, marines, and civilians from all over the United States has seen both striking victories and overwhelming defeats on the turf since they played their first game late in September.

They opened their season on September 21, playing on the Denver University gridiron against the favored Pioneers and started the season off with a bang by defeating them 12 to 0, upsetting all predictions . . . The following week the Tigers suffered their first defeat at the hands of Colorado University, losing the game by a score of 13 to 0. Undaunted, however, the team took on the newly-formed Herington, Kansas, Army Air Field team and resoundingly trounced them with a score of 43 to 6. . . . The following week on October 13, the Tiger men lost one of the hardest games of the season. In the first homecoming game since the war New Mexico University edged out the home team to the tune of 6 to 4. The game was played almost from start to finish in the rain and as a consequence the mud was pretty bad . . . A second game was played against the C.U. Buffaloes, and Colorado College was defeated by thirty-one points, the Tigers' score board showing a big round goose egg . . .

After this game there was between-semester vacation during which time the team suffered the loss of several men, among them Glenn van Schooneveld, Ralph Scott, and Bob Sterling. However, with the new semester came a large turnout of new men which supplemented the team . . .

The first game in the new semester was played against the Greeley Bears on November 10. This ended in a final score of 47 to 13 with the Tiger team on the winning side . . .

The following week one of the most exciting games of the season was played against West Texas. It was a storybook finish as Dan Goers caught two passes in a row, scoring on both of them with long runs, to bring the Colorado team out in front with a final score of 20 to 13 . . .

In the final game of the season, the Tigers tied at 7 to 7 with Colorado Aggies . . .

In defeating Greeley State the Colorado College Tigers once again won the Rocky Mountain Conference title . . .

Joe Brookshire, who turned in an outstanding game every week, was elected honorary captain of the 1945 football squad . . . Joe, along with Johnny Steele, Dan Goers, and Billy Smith were the nucleus for the backfield, all being holdovers from the preceding season. In the line Ralph Scott was the only returning letterman and played very good football along with Martin Donnelly, Glenn van Schooneveld, Guy Carstens, Phil Wettersten, and Lars Watson . . .

Watson was selected for first team on the mythical All-Rocky-Mountain squad . . .

Harold La Porte drew particular honors in being selected as honorable mention choice on the All-American squad . . .

Congratulations, team, for the fine work by every one of you. We hope that you will be even more successful next year . . .

Hockey at Colorado College had a good start this past season in putting the game back on a pre-war basis . . . Lack of reserves and insufficient previous competition went against the Tigers when they encountered the strong Canadian teams and the University of Michigan.

Five veterans of the Black and Gold returned this year to form the nucleus of the squad . . . Bob Scarlett, Jack Chamney, George Ewonus, and Bruce Stewart all served in the Canadian Armed Forces, while John "Chick" Ross put in time for Uncle Sam . . . All five played fine hockey and demonstrated their former fight and aggressiveness . . . Scarlett comes from Montreal, Quebec; Ewonus from Melville, Saskatchewan; Stewart from Yorktown, Saskatchewan, and Chamney and Ross from Saskatoon Saskatchewan . . . This quintet of players was bolstered by five newcomers from Canada and two Colorado Springs boys. Ronnie Newson, Lou Meier, and Len Turner hail from Regina, Saskatchewan, and Gordon Eddolls and Howie Hushion call far-away Montreal, Quebec, home . . . The Canadian freshmen all showed plenty of promise and are great prospects for next year. Jordan Bayless and Gerry Bennett represented the local products. Both lacked experience, but were fine competitors.

Prospects for the 1946-47 season look very bright . . . Although the team will lose Ross and Chamney through graduation, the remainder of this year's team will be back, augmented by a few more former C.C. icemen and several new players from "North of the Border."

Led by versatile Jud Heathcote, high-scoring center, the 1945-46 version of the Tiger cage team swept to a seasonal record to twelve wins against six defeats, and came within a mere whisker of copping the Rocky Mountain Conference championship.

Featuring a scoring attack built around Heathcote and Eathan Miller, the Bengals reached their offensive peak on February 12 when they defeated Denver University by a score of 60-44. Throughout the conference this battling band of Bengals was hailed for its teamwork and never-say-die spirit. For his steady and dependable play all season "Pappy" Nick Yeonopolus, the "Glorious Greek," was chosen by his teammates as honorary captain.

Roosevelt Collins, head trainer and equipment manager at Colorado College, started working at C.C. on September 4, 1935, and has continued faithfully to serve Black and Gold athletes for the past eleven years. "Rosy," as he is better known to his many friends, is 42 years old and is married. He attended the University of Illinois for five semesters, and from 1931 to 1935 was assistant trainer at Louisiana State University.

Rosy's name is a by-word on the athletic field at C.C. Whether it is football, basketball, hockey, track, or any other sport one will always find the congenial trainer around, ready and willing to lend his muscles, and to tape up cuts and bruises. He is also efficient at making special types of protective pads and braces for particular injuries.

Asked which was his favorite football game, he smiles and mentions the C.C.-Denver U. tilt in 1937, which the Tigers won 7 to 4 against heavy odds. Rosy's pet hobbies are collecting china and helping people. He is often highly praised by Dr. Woodward, the College's medical advisor, for his acute knowledge of the training profession.

It is a pleasure to see returning service men make their first stop on the campus at the training room to have a short visit with "Rosy". He is liked by coaches and players alike and they find his fine sense of humor hard to beat. His most cherished possession at C.C. is a gold watch bank given to him by the players on the victorious 1943 football team. On the plate are inscribed the fitting words, "To Rosy, Our Faithful Trainer."
